Dear Perspective BSLS Charter Member,

Big Sister Little Sister Mentoring Program is a mentoring program with the mission: “To inspire all women to remain empowered, excel academically, aspire to be fearless while being and having a mentor that will hold you accountable to live life with a purpose.” This mentoring program is a great source of networking; providing both social and professional resources, Big Sister Little Sister (BSLS) is a mentoring program for all women that promotes self-confidence, life skills, and social appropriateness by way of invigorating programs and projects. We strive to make a positive and long-lasting impact on college campuses and for college-bound girls.

Our programs empower, educate, and encourage all women and youth. BSLS was created to 1) reduce dropout rates among women enrolled in college 2) develop and prepare our members with the necessary skills to dominate in their field(s) of choice 3) become lifetime leaders and 4) cultivate a sisterhood union through bonding endeavors and mentorship. Additionally, our organization provides unwavering support for all members to achieve and maintain academic excellence.

We are also committed to serving our local communities via community service and engagement, uplifting our youth, and providing resources that inspire our women and youth.

We hope that once you charter a chapter, you will blow your own mind daily! We hope that the platform that is provided and expected not only challenges you, but also allow you to find a way to leave a legacy in the organization, in your own life, in your community, in your career, within your family, and most of all in the lives of all women and youth that we serve. This organization is meant to be a self-investment in your life as well as others.

Thank you for your interest and we look forward to hopefully welcoming you to the BSLS Family!

Sincerely,

Big Sister Little Sister
